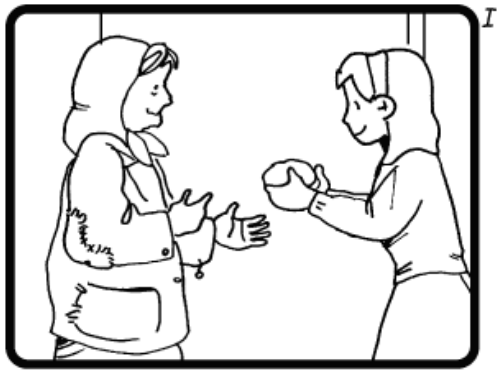
Word of Life Gen 4
Januar 2011

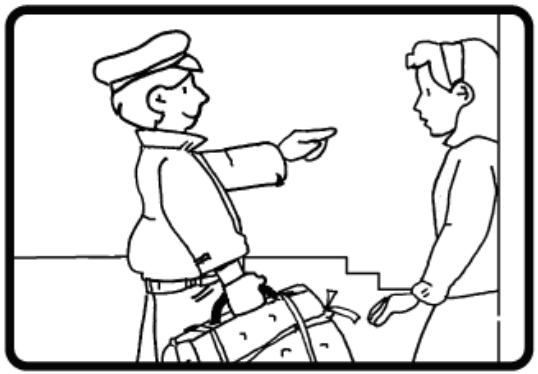
Do you want to make the "bundle?"

"The community of believers was of one heart and mind, and no one claimed that any of his possessions was his own, but they had everything in common." (Acts 4:32)

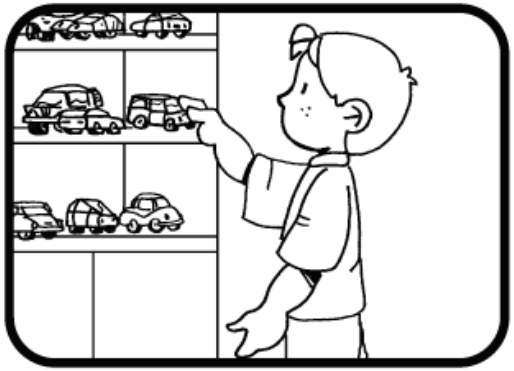
The early Christians did what Jesus told them, which was to love one another and share all their possessions. For example, one day Joseph sold his field and gave the money to the apostles. Chiara also practiced the communion of goods with her first companions and very soon she conquered many hearts to Jesus!



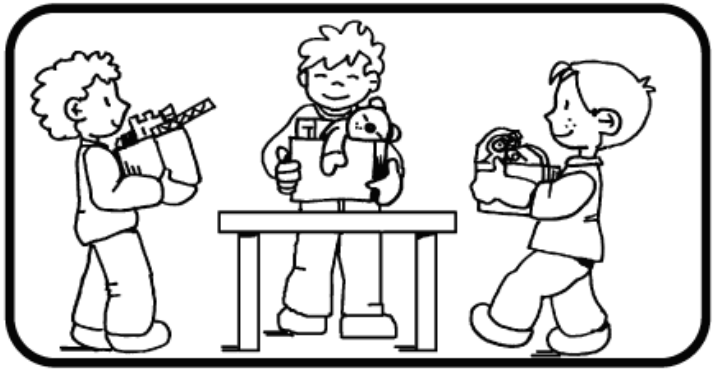
Jesús from Spain loved the story about Chiara when she gave the poor person the last two apples they had in the house.



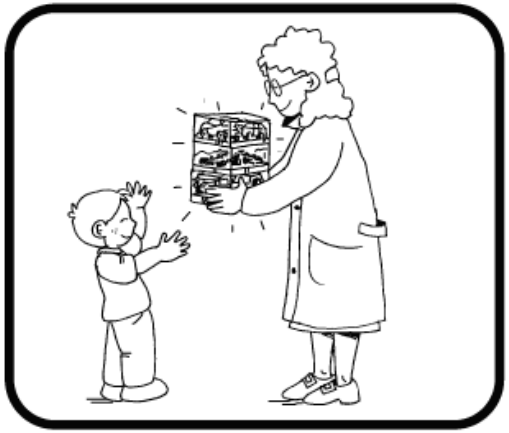
In fact, a little while later a bag arrived full of apples, and when she gave those away, a suitcase of apples arrived!



So looking at all his toy cars, Jesús thought of the poor children who don't have any toys. "It's not right that I have so many and they don't have any!" So he started choosing which ones to give and



then he brought them to the Gen 4 meeting. The other Gen 4 also brought their "bundle" of toys and they sent a big box of toys to the poor children. Just after that, a friend came to his house and said, "Jesús, I have a gift for you from the



Three Kings!" He was so surprised because there were three boxes with five very special little cars in them. Jesús understood that today, too, we can live like the first Christians and like Chiara.
