Some impressions left at the end of the 2011 Mariapolis

"I have experienced a piece of paradise. It was truly inspiring and profound."

"Simple little ideas truly have the power to change the world in a better way."

"I never felt so accepted, so loved. We have been told about God's will all our lives, but it's never been brought to life as much as here. It is the most amazing thing in which I have ever been involved."

"I realize that everything is somehow an expression of God's love."
