

Let's love with all our heart!

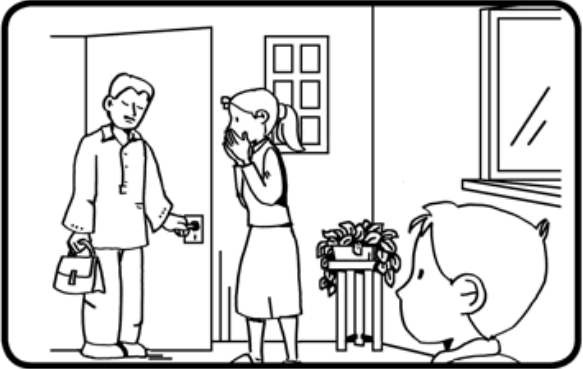

"You shall love the Lord,
your God,
with all your heart,
with all your soul,
and with all your mind."
(Mt 22:37)

Jesus explained to them that there are two important commandments, "Love God and love your neighbor." After that, nobody dared ask him any more questions. We, too, can love by using all the gifts God has given to us - our heart, our will, our strength and our intelligence.

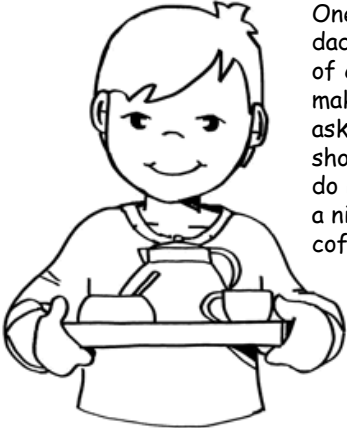

Jesus came on earth to bring love, but not everyone liked what He said. That's why one day the doctors of the law wanted to test Jesus and asked him, "Which is the greatest commandment?"

Luigi, a Gen 4 from the Philippines, told his experience. "Unfortunately, one day my father lost his job. My whole family was very sad and worried about this. But I remembered that Chiara taught us to love always, even in difficult moments.

So when I saw my brother helping in the kitchen, I volunteered to wash the dishes. In the afternoon I watered the plants in the garden.

One evening, my dad wanted a cup of coffee, so to make him happy I asked my mom to show me how to do it, and I fixed a nice cup of coffee for him.

A couple of days later, my dad found a new job and we were all very happy. I thanked our heavenly Father!
