WORD OF LIFE

“Behold, I come to do your will”

(Heb 10:9)

In depth...

This means being able to say “no” to ourselves in order to say “yes” to God.

Do you remember his commandments?

These words provide the key to understanding the life of Jesus. They help us grasp the golden thread that runs through all the events of his life on earth – his childhood, the years he grew up and worked in Nazareth, the temptations by the devil, the choices he made, his public life, even his death on the cross. In every situation, Jesus sought only one thing - **to do the will of his Father.**

This Word of Life helps us comprehend the great lesson Jesus gave us with his whole life. **He taught us by his actions that the most important thing is not to do our own will, but the will of the Father.**

True love of God does not consist in saying nice words, having good ideas or feelings, **but in obeying his commandments.**

How can we do his will?

We know that sometimes doing what God wants us to do is the opposite of what we want to do at that moment, or what our friends are telling us to do. So we need to have the courage to go **AGAINST THE CURRENT,** and follow what God wants for us.

God loves us immensely and has a wonderful plan for our life. All we need to do is to use our freedom to choose God’s way for us.

This will lead us on a great, divine adventure!

Let’s try to live this Word of Life by doing the will of God, like Jesus did, making it the guide and motivation for everything we do.
