

# A good idea to help us love more!

“Therefore, stay awake, for you know neither the day nor the hour.”  
 (Mt. 25:13)

Jesus is in heaven now but he promised he would come back. How can we get ready for his return? Jesus tells the story of a wealthy man who was going on a long trip and so he entrusted some of his money to his servants.

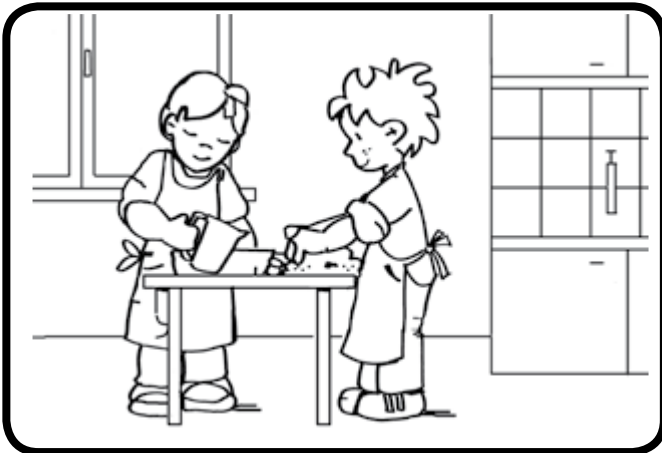

When he came back, the first servant came to him and said, “Sir, your gold coin has earned ten more.” The owner told him, “Well done, good servant, you have been faithful in this small matter, take charge of ten cities.” Then the second one came and said, “Sir, your coin has earned five more.” The owner praised him, too, and put him in charge of five cities. (see Lk 19, 12-23)

Then the third servant came and said he was sorry but he had kept the coin hidden in a handkerchief. So the owner reprimanded him because he had not used the money to gain more and he told the other servants, “Take the coin away from him and give it to the one who has ten!”

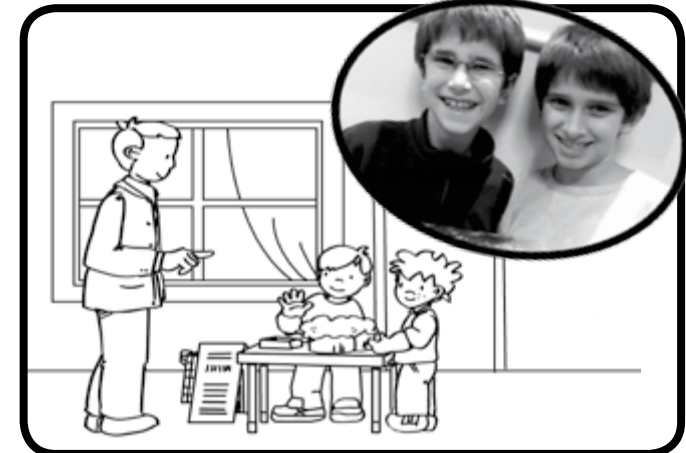

## We have to use our gifts well, giving our time, knowledge, good ideas, and so on. Just like Caio and Gabriel from Brazil did.

Gabriel and Gaio wanted to go to the Gen 4 Congress but they didn't have the money to pay for the trip. They remembered that they had just learned in school how to make bread! So right away they tried to make some!

The first loaf came out well and they found someone right away to buy it. Then they got brave and opened a little business. Many people heard about it, even the guard at a big building.

They had to sell 36 loaves to have enough money for the trip, but in the end they sold 43! So they had enough to help other gen 4 go to the congress, too!
